NOTICE TO MARINERS FIRTH OF FORTH

Vessel Operator Restrictions

Vessels are scheduled into / out of ports on the Forth & Tay in accordance with the under keel clearance and scheduling criteria specified in the Marine Guidelines & Port Information <http://www.forthports.co.uk/marine/information/>

Vessel operators who require additional restrictions such as increased under keel clearance margins, over and above those required by the port, must ensure that these requirements are specified to FTNS at the time of booking the vessel's arrival / departure. This is to ensure that vessels are booked for the correct time, and to ensure that unnecessary delays / impacts to the shipping schedule are avoided.

Agents are advised to ascertain vessel specific scheduling requirements prior to making arrival / departure bookings through FTNS.
