11th August 2015

NOTICE TO MARINERS
(Admiralty Chart River Tay 1481)

Underwater Obstruction

Mariners and operators of small craft are advised that an underwater obstruction has been reported at 56°26.89'N 002°41.35'W which is south of the main navigation channel and halfway between the Inner Red Buoy and the Abertay South Buoy.

All vessels should keep clear of this position and navigate with extreme caution in this vicinity.
