NOTICE TO MARINERS

FIRTH OF TAY

CURRENT MEASUREMENT SURVEY

Mariners are advised that a survey vessel will be commencing surveying operations in the Firth of Tay starting 30th of January 2018, expected to last up to a month. The survey will encompass the river at intervals between Balmarino and Broughty Ferry. Further information can be found by contacting the surveying company direct.

The survey vessel is called 'Remote Sensor' and is an 8.5m Catamaran. It will be manned by 2 crewmembers. The vessel will tie up in the tidal basin overnight.

The vessel has been instructed to listen to VHF channels 12 and 16.

The vessel has been instructed to keep out of the way of all commercial traffic and FTNS are kindly asked to keep them aware of traffic movements.

Any smaller vessels passing please keep wash to a minimum to allow surveying to continue uninterrupted.

The company conducting the surveys is 'Aspect surveys' and the contact for them is Mr Colin Thomson 01294313399/07917875540.
