No. 10 of 2018

11th July 2018

NOTICE TO MARINERS

FIRTH OF TAY

Large Vessel Movement Firth of Tay – WF1

Mariners are advised that the floating wind turbine foundation 'Wind Float 1' is due to transit the Tay from Sea to Prince Charles Wharf on Thursday 12th July 2018. The vessel will arrive at the fairway buoy at approximately 1100 and will take several hours to complete her transit to the berth. The floater will be assisted by 3 harbour tugs, and one larger lead tug off the bow.

The navigation channels will be closed for this planned movement to allow the safe navigation of the floater and her towing vessels. All other vessels are required to keep well clear (minimum 200 metres) and must not impede or endanger the planned passage as per General Direction No 14.

The move is weather dependant, and Dundee Harbour Radio can be contacted on VHF channel 12 for any updates.

Ryan Porteous
Harbour Master
