NOTICE TO MARINERS FIRTH OF FORTH

Ground Investigation Works – Fillyside (Portobello) Outfall

Ref Chart 734

Mariners are advised that commencing on the 06th August for a period of 6 weeks, marine site investigation works will take place around the Fillyside (Portobello) Outfall. (REF 1)

These investigations will establish the ground conditions for a 600m extension to the existing outfall.

The jack up barge Haven Seajack will be constructed in Burntisland Harbour and towed to location by the Forth Fighter (REF 2). The jack-up barge will remain onsite for the duration of the works and supported as required by Forth Fighter.

All mariners are advised to proceed with caution when navigating within the waters surrounding outfall and the above works.
