# Haulier User Account Form

### Agreement to Access VBS

- 1 The service comprises of information pertinent to commercial vehicles wishing to move units to and from Tilbury 2 Terminal, Port Of Tilbury London Ltd
- 2 The VBS account (s) being provided as a result of this application are for the sole use of the Company specified in this application and are to be used in a responsible manner for the purpose intended and Forth Ports reserve the right to remove access without notice should usage indicate otherwise
- 2 The service will be available to a customer, on completion of registration form, through means of an account being created and supplied by email
- 3 Helpdesk Support from Port Of Tilbury London Ltd is available on the following Telephone Number.

**Note:**  
For those Customers signing up to use the fuller Booking capability (whether desktop , mobile or both), which we are keen to promote in support of COVID-19 social distancing rules, then due to this and the fact we are not operating the system in the more controlled manner of LCT and Grangemouth, there will be no charges for the use of VBS through 2020 , although we reserve the right to reconsider going forward if we deem it appropriate.
