

Ports of Tilbury and Tilbury2 Notice to Mariners – No. 13 of 2022

Port Waste Reception Facilities

In order to reduce the environmental impact of the ship generated waste collected and disposed of by the Port of Tilbury, the Port Waste Reception Facilities have been updated. This applies to all Port of Tilbury vessels including LCT vessels and excludes only Cruise vessels.

- All requests for waste should be made 24 hours in advance, or on departure from the last Port if less than 24 hours transit
- All requests should be made via email to marine.department@potll.com and include the CERS3 workbook
- Vessels must segregate Cat 1 (food) waste from other recyclable ship generated waste, as this will be collected separately
- In Port, vessels must contact the Marine Department via email, phone or VHF to arrange the discharge of ship generated waste

Email: marine.department@potll.com
